Text und Musik: Eva-Maria Maywald

My grea - test he - ro is a worm that digs o - our yard.  
 A cen - ti - pede went for a walk, was care-less for a bit.  
 What fur - ry thing is craw - ling there and ea - ting all day long?

He's ve - ry ac - tive all day long and spares us work so hard.  
 His legs all be - came tang-led up! Pure luck he did - n't trip!  
 The ca - ter - pil - lar's ne - ver full! His hatch day will be soon.
